EXTRAORDINARY.

The Skywell BE11 embodies a new era in electric vehicles. The exclusive exterior is matched in its premium feel by an interior that is a cut above the rest.

OVERVIEW

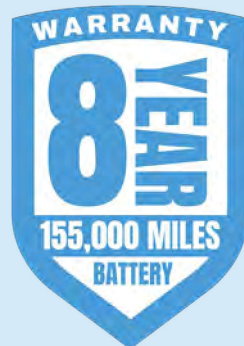

04

Distributed in the UK by Innovation Automotive, Skywell is the leading name in advanced EV manufacturing. Backed by Skyworth (one of the world's largest consumer electronics brands) and the Nanjing Golden Dragon Bus Company (one of China's leading commercial vehicle brands), Skywell's unique mixed heritage is evident in its cutting-edge technology and strong build quality.

EXTERIOR

EMOTIVE DESIGN.

B
E
I
1

The dynamic and emotive exterior design is characterised by the 'razor' LED headlights, sharp contours and stylish silver accents, while the sleek, aerodynamic bumper design helps reduce energy consumption.

The BEI1's athletic and refined silhouette is enhanced by the 'Lynx' 19" diamond-cut wheels and sleek roof rails, while the black skirting and window moulding add further protection for rough trail adventures.

*Alloy wheels not to UK specification

At the rear, the sculpted rear spoiler and large silver skid plate, reflect the BEI1's sporty and agile nature, while the powerful Skywell-illuminated rear lightbar oozes confidence and contributes to its distinctive kerb appeal.

INTERIOR AND TECHNOLOGY

STAY FULLY CHARGED.

10

Step inside the sumptuous interior and you'll be greeted with premium features from suede and faux leather seats, 128-colour ambient lighting, to contrasting wood-look veneer and piano gloss black panelling, providing the cockpit with a premium and contemporary feel.

The all new BE11's technological expertise are encapsulated by the progressive on-board infotainment system; distinguished by its large and intuitive 12.8" touchscreen display.

SYSTEM FEATURES:

- **BLUETOOTH®**
- **WIRELESS APPLE CARPLAY™**
- **WIRELESS ANDROID AUTO™**
- **FM AND DAB+ RADIO**
- **GERMAN-ENGINEERED 8 SPEAKER METZ SOUND SYSTEM**

The rear cabin is defined by opulence and deceptive spaciousness; complemented by the large panoramic opening 'Skyroof'.

The wide-opening and motion-sensing electric tailgate reveals a spacious boot space, easily accommodating the essentials of everyday life.

A hassle-free car ownership experience. It's what you deserve, and what Skywell offer. All Skywell vehicles are supported by comprehensive aftersales package designed to give you total peace of mind.

WARRANTY

BE11 comes with a 7-year / 100,000 mile vehicle* warranty and 8-year / 155,000-mile* battery warranty from Skywell, to reassure you of our high manufacturing standards and provides a clear commitment to our customers.

SERVICING

Service intervals are set annually or 15,000 miles*, so that you can enjoy all the performance and driving pleasure built into your Skywell.

When you need them, our dealers are ready to service your BE11 with EV qualified technicians, certified by the IMI (Institute of the Motor Industry) or equivalent, to ensure the highest standards to effectively maintain your new car.

PARTS

Parts can be ordered from your local Skywell dealer. We operate a UK warehouse, stocked with BE11 parts, ready to distribute to dealers and repairers next day. So whether you want to add something to your BE11, or need a visit to an accident repair centre, we'll have you covered.

WE'VE GOT YOU COVERED.

COMING SOON...

18

Benefiting from its unique heritage of leading consumer electronic and heavy-duty vehicle manufacturing, Skywell leads the way for advanced electric vehicles that are built to last.

FOLLOW OUR JOURNEY.

LET

Our exciting range of next-generation EVs are just around the corner; stay tuned for all the latest updates.

TERMS AND CONDITIONS

Innovation Automotive Limited, the appointed UK distributor of Skywell, has taken every effort to ensure that the contents of this price list were correct at the time of being published (September 2024). Please note colours and accessories are for illustrative purposes only and where shown, models may not represent actual UK specification. Colours, interior and exterior finishes replicated are subject to limitations of the printing/digital process and therefore may vary from actual colour, material and paint finish. Innovation Automotive and Skywell endorse a policy of continuous improvement and therefore, reserve the right to make changes at any time and without notice to: colours, accessories, material, design, shape, specification and models. Items may be introduced and/or discontinued at any time.

Please consult your Skywell dealer for full details.
